

```
function grade() {  
    let score = parseFloat(document.getElementById("field").value);  
    let grade = "";  
  
    if (score >= 80) {  
        grade = "A";  
    } else if (score >= 60) {  
        grade = "B";  
    } else if (score >= 40) {  
        grade = "C";  
    } else {  
        grade = "F";  
    }  
  
    document.getElementById("d").innerText = grade;  
}
```
